SHORTAGE OF HOSPITALS

1853. SHRIMATI RAMA DEVI:

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

(a) whether there is shortage of hospitals and medical centres proportionate to the population of the country, if so, the details thereof, State/ UT-wise; and

(b) the efforts made by the Government to address the said problem?

ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE
(SHRI ASHWINI KUMAR CHOUBEY)

(a): As per Rural Health Statistics 2017, there is shortage of hospitals and medical centres in the rural areas as per 2011 population. The shortfall in health infrastructure at the level of Sub centres, Primary Health Centres, and Community Health Centres, State/ UT-wise, is given at **Annexure.**

(b): Public Health and hospitals is a State Subject and therefore the primary responsibility of providing health care services to the citizens lies with the respective State/UT Governments. It is the responsibility of the State government to ensure availability of the adequate number of health facilities as per requirement of the State. However, Under National Health Mission (NHM), support is extended to States/UTs to strengthen their healthcare system for provision of accessible, affordable and quality health care to all the citizens based on proposals submitted by the States / UTs in their Programme Implementation Plans. Approvals are given in accordance with the Gap Analysis, population norms and case load in the facilities of the State as decided in the National Programme Coordination Committee (NPCC) meetings, within the resource envelope available for particular State/UT.
